Gary—

Could you please modify the attached pages to reflect the information you've given me over the phone? This indicates you would have up to 5 acres of disturbance, but the most recent map only shows about 0.5 acres.

In the description of mining operations, could you detail what you've told me on the phone? Talk about how deeply you will be mining, how much area you will disturb, etc.

The more detail I have, the easier it is to justify a smaller bond. The \$10,000 bond was based on five acres of disturbance.
